**Policy on Accepting College Coursework, Post-Secondary and Advanced Degrees**

1. Specific college coursework required for a job, as well as Bachelor’s, graduate, post graduate, and doctoral degrees will be accepted from the schools accredited by any of the six regional accreditation associations in the United States listed below:

   - Southern Association of Colleges and Schools (SACS)
   - Middle States Commission on Higher Education (MSCHE))
   - NorthWest Commission on Colleges and Universities (NWCCU)
   - Higher Learning Commission (HLC)
   - New England Commission of Higher Education (NECHE)
   - Western Association of Schools and Colleges –Senior College and University Commission (WASC-SCUC)

2. Coursework or degrees from schools that have not been accredited by one of the above listed regional accreditation associations may be accepted if a regionally accredited school* considers the coursework or degree to be an acceptable prerequisite for admission to an advanced degree program. For example, if a regionally accredited school accepts an applicant’s bachelor’s degree for admittance into a graduate degree program, State Personnel will accept the degree. In the case of required college coursework (but no degree requirement), State Personnel will accept the college coursework if a regionally accredited school accepts the coursework towards a post-secondary degree (e.g., a bachelor’s degree). This must be documented by a letter of acceptance from the regionally accredited school. State Personnel will review such requests on a case-by-case basis.

Note: This policy is subject to change. Certain state agencies may have additional requirements.

*The term “regionally accredited school” refers to an institution of higher education accredited by one of the above listed accreditation associations.
