# Revised

Except for pretest information provided by State Personnel to all applicants, you should not directly or indirectly obtain information about examinations. If you do, the State Personnel Director may do several things. One, you may not be given an examination. Two, you may be disqualified after an examination. Three, your name may be removed from a register. Or four, your name may not be certified from the register. (Rules of the State Personnel Board, Chapter 670-x-9). According to the Code of Alabama, 36-26-47, a willful violation of exam security is a misdemeanor. Any person who is convicted of this type of misdemeanor will be ineligible for appointment to or employment in a position in State service for a period of five years and, if the person is an officer or employee of the State, will forfeit his or her office or position.

If you know of anyone who has violated this policy, you should contact the Examination Manager at the State Personnel Department.

**State of Alabama Personnel Department  
Policy on Accepting College Coursework, Post-Secondary and Advanced Degrees**

1. Specific college coursework required for a job, as well as Bachelor's, graduate, post graduate, and doctoral degrees will be accepted from the schools accredited by any of the six regional accreditation associations in the United States listed below:
  - Southern Association of Colleges and Schools (SACS)
  - Middle States Commission on Higher Education (MSCHE))

  - Higher Learning Commission (HLC)
  - New England Commission of Higher Education (NECHE)

2. Coursework or degrees from schools that have not been accredited by one of the above listed regional accreditation associations may be accepted if a *regionally accredited school*\* considers the coursework or degree to be an acceptable prerequisite for admission to an advanced degree program. For example, if a regionally accredited school accepts an applicant's bachelor's degree for admittance into a graduate degree program, State Personnel will accept the degree. In the case of required college coursework (but no degree requirement), State Personnel will accept the college coursework if a regionally accredited school accepts the coursework towards a post-secondary degree (e.g., a bachelor's degree). **This must be documented by a letter of acceptance from the regionally accredited school.** State Personnel will review such requests on a case-by-case basis.

Note: This policy is subject to change. Certain state agencies may have additional requirements.

\*The term "regionally accredited school" refers to an institution of higher education accredited by one of the above listed accreditation associations.
