Basic Abilities Test (BAT)

Effective July 1, 2017, APOSTC adopted the ACT WorkKeys Assessment as the official Basic Ability Test (BAT) for all applicants for Law Enforcement Officer employment and certification. The ACT WorkKeys Assessment/BAT is currently offered at all of Alabama's community colleges in the Workforce Development Program. Administration schedules and guidelines vary by location so applicants should contact their preferred community college to get details regarding test administration. A list of community colleges and contact information is included on the APOSTC website listed below.

Applicants must submit a copy of their BAT results with their applications in order to be placed on the register. There are two exceptions for applicants who are not required to take the BAT: (1) Applicants who possess an Associate's degree or higher, and (2) Applicants who are already APOSTC certified (This includes applicants who are required to complete the Refresher training for reinstatement of his/her certification). Applicants with an Associate's degree or higher must submit a copy of their diploma or transcript; if you do not submit proof of your degree, your application will not be accepted. For applicants who are APOSTC certified, you must include your APOSTC certification number and issue date in the Professional License or Certificate section on your application.
