Ashley,

I received the order in this case and thank you for same. I have written my client via priority mail to the federal prison in West Virginia where I learned yesterday that she is incarcerated. I asked her to respond in seven days but it may not be realistic to get a reply in that time frame.

I would ask for an extra 14 days in which to request that the case not be dismissed in the event that things are not as they appear.

Thanks,

Bryan
